

☒ SPRING

Mar – May

- **Basement hazmat assessment before any cleaning (hire certified inspector, \$200–500)**
- Roof inspection — check 3–5yr shingles for winter damage, flashing, granule loss
- Gutter cleaning & full downspout flush
- Foundation crack inspection — mark & date all cracks
- AC component inspection — schedule tech before first heat wave
- Sump pump test — pour water in pit, verify activation
- Document fence problem areas 1–12 with dated photographs
- Smoke & CO detector test + replace all batteries

☒☒ SUMMER

Jun – Aug

- Pest inspection — 1930s wood frame at high risk for termites & carpenter ants
- Attic ventilation check — protect 3–5yr shingles from heat damage
- Dryer vent full duct cleaning — fire hazard, must do entire run
- Fence repair execution — all 10–12 documented areas (posts first)
- Wood preservative & stain on all repaired and adjacent fence sections
- Basement deep clean — post-hazmat clearance only, HEPA vac required
- Identify and fix moisture & mold sources in basement

☒ FALL

Sep – Nov

- Furnace professional tune-up — 2–5yr unit, heat exchanger + full inspection
- Gutter cleaning — wait for peak leaf drop, early November
- Weatherstripping overhaul on all exterior doors and operable windows
- Chimney inspection & cleaning if fireplace or wood stove present
- Shut off & drain ALL exterior spigots — deadline October 15
- Insulate exposed basement pipes near exterior walls
- CO detector test + battery swap — before furnace season, every year
- Annual water heater flush — establish as permanent fall routine

☒☒ WINTER

Dec – Feb

- Ice dam monitoring — roof rake after every major snowfall event
- Pipe freeze watch on nights below 10°F: open cabinet doors, run thin trickle
- Confirm all household members know main water shutoff location
- Monthly furnace filter check — running 8–12 hrs/day exhausts filters fast
- Never drop below 55°F — even when away for holidays
- Monthly CO detector test — winter = highest risk, furnace running constantly
- Emergency supply kit accessible: flashlight, blankets, power bank, water
